

En la evaluación de la prueba de aptitud física se aplicarán los siguientes criterios:

Los ejercicios parciales se calificarán de acuerdo con la tabla de puntuación que figura en este anexo.

La valoración de cada ejercicio está limitada por un mínimo (un punto), considerándose eliminatorio el no alcanzarlo.

La valoración máxima será la que marca la tabla para cada ejercicio (11 puntos).

Para obtener la calificación de «apto» deberán superarse las marcas mínimas exigidas (un punto) en todos los ejercicios parciales y obtener, como mínimo, un total de 40 puntos.

La calificación de «no apto» eliminará al aspirante de la presente convocatoria.

Para la aplicación de puntos en las marcas intermedias a las señaladas para cada ejercicio se tomarán los de la marca inmediatamente inferior en la escala.
